

A Senior Moment

A MONTHLY COLUMN FOR LOCAL SENIOR CITIZENS

By Louis Vaccaro

June 2026

We held our annual picnic for our May meeting at Montgomery Veteran's Park, and it was a wonderful afternoon enjoyed by all who attended. Members gathered together to share good food, conversation, and plenty of fellowship in the beautiful outdoor setting. Danny's food truck provided a delicious variety of picnic favorites, offering something for everyone to enjoy. The relaxed atmosphere made it easy for members to spend time catching up with friends, while also welcoming several new members who had the opportunity to meet others and become acquainted with our group. Events such as these continue to remind us how special our senior community is and how important these opportunities for friendship and connection are. Thank you to everyone who attended and helped make the day such a success.

As we look ahead to our June 11 meeting, we are excited for another favorite tradition — our annual Ice Cream Social. We will begin with a brief business meeting and then start serving ice cream at 2:00 pm. This event is always one of the highlights of the year and gives everyone a chance to relax, socialize, and simply enjoy a fun afternoon together. We will have plenty of ice cream along with a variety of toppings and treats so everyone can create their favorite dessert. Whether you enjoy chocolate syrup, sprinkles, whipped cream, cherries, or all of the above, there will be something for everyone. We will also be serving refreshing watermelon to help everyone celebrate the start of summer. The Ice Cream Social is a wonderful opportunity for members, both longtime friends and newcomers alike, to spend time together in a welcoming and cheerful atmosphere. We encourage our members to come out, and enjoy an afternoon filled with laughter, conversation, sweet treats, and good fellowship. We look forward to seeing everyone on June 11 for another enjoyable gathering with our senior community.

Since we will not be holding our monthly meetings in July and August this year, we will be taking a short summer break from our regular schedule. In previous years, our July meeting featured the annual picnic, and August was highlighted by our popular ice cream social. With the change in venue and scheduling, we are able to step back and enjoy a more relaxed summer season. While there will be no in-person meetings during these two months, we will continue to stay connected. I will be providing monthly articles through July and August so members can remain informed and engaged with community updates, upcoming plans, and other helpful information. We look forward to welcoming everyone back when our meetings resume in September, refreshed and ready for another active and enjoyable remaining season together.
